Gentlemen:

You were advised on August 5, 1937 that The Trustees of Princeton University were exempt from Federal income tax under section 101(6) of the Revenue Act of 1936. This section has since been superseded by section 501 (c)(3) of the Internal Revenue Code of 1954.

Your application Form 1023 dated November 2, 1967 and the supplements attached indicate that you have been operating in substantially the same manner over the years of your existence and therefore there is no necessity for the issuance of a new determination letter since the exemption granted in the original letter still applies. A copy of the original letter is enclosed for your files.

This current letter affirms that contributions made to you are deductible by donors as provided in Section 170 of the Code. Bequests, legacies, devises, transfers of gifts to or for your use are deductible for Federal estate and gift tax purposes under the provisions of Sections 2055, 2106, 2522 of the Code. Any future changes in your organization's character, purposes, method of operation, name or address should be reported to your District Director.

Very truly yours,

Joseph W. Shoetz
District Director
